*'Being on dialysis is like being in a washing machine,  
your blood is put through a 4 hour rinse cycle  
and then you come out all squeaky clean.'*

*'I don't put salt on my dinner anymore, it's not fair on him.'*

*'Dialysis means you can get bored out of your skull;  
a wandering mind can travel for miles and miles and miles,  
and there are no limits to the imagination.'*

A site-specific show housed on the fourth floor of the historic Gostin Building in the heart of Liverpool ONE, *For the Best* has been created over five months with patients attending Royal Liverpool University Hospital, their families, artists and performers.

Beautiful, fragile and multi-layered, *For the Best* is an imaginative journey through a family's experience of living with chronic illness.
